As with any outdoor adventure, Mother Nature deals the cards when it comes to weather and intense cold. Our Guides are there to assist with adapting to those changes in weather, to keep you as comfortable as the conditions will allow. Following the lead of the Guides and being conscientious of their suggestions will help the you and your group get through the challenges of winter weather. Bringing the required personal effects outlined in the provided checklist and employing those items when necessary will go a long way in ensuring personal comfort.
